Mr. SPEAKER.—If it is heard tomorrow, is it going to complicate matters ? In fact there are two more notices which are a little more omprehensive, one from Sri Srinivasa Nayak and another from Sri Madhwaraj.

Sri SANJEEVANATH AIKALA.—I gave notice two weeks earlier.

Mr. SPEAKER.—I will include the name of Sri Aikala also.

Sri SANJEEVANATH AIKALA.—We want it to be discussed today because the situation is serious. The Chief Minister is present and he can give information.

Mr. SPEAKER.—If it is a calling attention notice. No question of supplementaries. Therefore let it be as comprehensive as possible. I think it is better to have it tomorrow, unless he apprehends anything.

Sri C. J. MUKKANNAPPA (Sira).—There is nothing to apprehend.

Sri SAJEEVANATH AIKALA.—There is everything to apprehend. The Hon'ble Member does not know because he is not affected.

Mr. SPEAKER.—It does not get you any food by being like that. Sri Sanjeevanatha Ikala's notice also will be there. They will be taken up tomorrow.

SIXTH-REPORT OF THE COMMITTEE OF THE SUBORDINATES LEGISLATION—Presentation.

Sri D. VENKATARAMIAH (Robertsonpet).—Sir, I beg to present the Sixth Report of the Subordinate Legislation Committee.

Mr. SPEAKER.—The Sixth Report of the Subordinate Legislation Committee is placed on the Table.

Before I proceed to the regular business of the day, I want to clarify one or two things. One is how shall we adjust the work. The other day I put it and found that there was not good response. If the members want to paricipate they must be prepared to sit a little late or meet a little early. They must be prepared to sit without Tea break also. Of course there will be Tea at the Tea Table but no Tea break. I suppose the House is agreeable to it.

HON'BLE MEMBERS.—Yes, Sir.

Mr. SPEAKER.—We will do it from tomorrow. I am not doing it today.

HON'BLE MEMBERS.—Yes.

Sri C. J. MUCKANNAPPA.—Sir, I suggest that we can sit from 12 Noon to 6 p.m. with question hour and without Tea break.

Mr. SPEAKER.—I suppose that is the consensus of opinion. With regard to questions I would like the Hon'ble Chief Minister or any other Minister and Leader of the Opposition to meet me at 3 O' clock.

Sri S. NIJALINGAPPA (Chief Minister).—Allright.

Mr. SPEAKER.—Now, we will continue the debate May I know how much time does the Hon'ble Minister for Health require for reply ?

Sri K. NAGAPPA ALVA (Minister for Health).—Seventy-five minutes.
